

Let your imagination take flight

A totally unique, eco-friendly up-market home on a pristine nature reserve in the Midlands of Kwa-Zulu Natal could be yours. Only nine homes on 155 hectares, each with a view of the Drakensberg mountains or overlooking a beautiful valley and forest land. Natural trout dams, rare wetland birds, scenic hiking trails, the best private schools nearby – all only 80 km from Durban. Enviroliving, UbuntuStyle at its best.
